## Formats of play

### Medal Play

Stroke play, also known as medal play, is a scoring system in golf. It involves counting the total number of strokes taken on each hole during a given round, or series of rounds. The winner is the player who has taken the fewest strokes. Your handicap will be deducted from your total score. The ball must be holed out on every hole otherwise the players score is totalled as a non-return.

### Stableford Points

Stableford is a scoring system used in golf. Rather than counting the total number of strokes taken, as in stroke play, it involves scoring points based on the number of strokes taken at each hole. Unlike traditional scoring methods, where the aim is to have the lowest score, under Stableford rules, the objective is to have the highest score.

Points	Strokes taken in relation to adjusted fixed score
0	2 strokes or more over, or no score recorded
1	1 stroke over
2	Same number of strokes
3	1 stroke under
4	2 strokes under
5	3 strokes under
6	4 strokes under

Stableford can have the added benefit of speeding up the pace of play, as once it is no longer possible to score a point, players do not have to complete the hole but can simply pick up their ball and proceed to the next hole. It is a popular form of the game, as it is still possible to record a competitive score despite having the occasional bad hole. To score the ball must be holed out.

### Match Play

Match play scoring consists of individual holes won, halved or lost. On each hole, the most that can be gained is one point. Golfers play as normal, counting the strokes taken on a given hole. The golfer with the lowest score on a given hole receives one point. If the golfers tie, then the hole is halved. For example, in an 18-hole match, the first hole is a par 4 and Player A scores a 3 (birdie) and Player B scores a 4 (par); Player A is now 1-up with 17 to play. In the same match on the second hole, a par-5, Player A takes 8 strokes and Player B takes 5 (par); Player B wins the hole and the match is now "all square" with 16 to play. Once a player is "up" more holes than there are holes remaining to play, the match is over. For example, if after 12 holes Player A is 7-up with six holes left to play, Player A is said to have won the match "7 and 6".

# David Lloyd Hampton Golf Club

## Captains Charity 2019 – Princess Alice Hospice

For many years David Lloyd Hampton Golf Club has supported Princess Alice Hospice as the Captains chosen charity and in 2019 we will continue to do so.

Princess Alice Hospice believes in a philosophy of care based on treating people as individuals with dignity and respect. They are there for their patients and their families when they need it most, helping them to feel better, to do more and to make the most of the time they have.

Over the past 4 years David Lloyd Hampton Golf Club has raised nearly £8,200 from various means largely down to the Captains charity day but also from the Captains charity bunker (right side of the 3<sup>rd</sup> green).

In 2018 the club raised a record amount and the club Captains managed to present a cheque for £3,500 so thank you to everyone who has contributed to this worthy cause.

To help us to continue to raise healthy amounts for this great cause please can I remind you all that if you happen to go into the bunker to the right of the 3<sup>rd</sup> green please donate £1 to the Captains charity by putting £1 in an envelope and dropping it into the white box behind the club shop. This will be collected daily and added to the charity fund.

## Night Golf & Medal Presentation

### Thursday 24<sup>th</sup> October 2019

Our annual glass presentation evening is celebrated each year alongside our Night Golf team event. If you haven't experienced Night Golf before you really should as this event is such great fun!

A shotgun start kicks off the evening with teams of 4 players working together to record the team's best 2 scores per hole.

As this event has high costs the entry fee per team will be **£50** (£12.50 per person) which also includes a hot plated meal afterwards. Non members are welcome at a green fee rate of £7.50.

It would be much appreciated if **ALL** the medal and stableford winners for the months of October 2018 to September 2019 would make an effort to take part and come along to collect their medals in the evening.

Our Night Golf event can facilitate a maximum of 11 teams of 4 players and is sure to fill up fast so please mark this date in your diary and act promptly to the reminder email that is sent out a few weeks before.
